### QUICK TIPS

- Either earbud can connect to your device and be used independently. Simply take out the earbud from charging case and it will auto connect.
- Earbuds can be used with or without boom mic, but the mic will improve the quality of your voice and reduce background sound in clear voice mode.
- Choosing the correct ear tip makes a significant improvement in audio quality due to proper seal for the driver. Try all ear tips for best results.

### VOICE PROMPTS

**"Ready to Pair"**: Work Buds are ready to pair to Bluetooth device

**"Battery Full"**: 100-80%

**"Battery Medium"**: 80-20%

**"Low Battery"**: Less than 20%

When power decreases to 10%, "Low Battery" will play

### DOWNLOAD THE APP

Customize JLab Work Buds features and update the latest software.

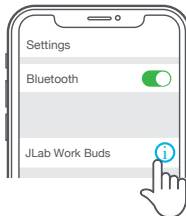

Download the **JLab App** in Apple/Google Play Store.
