This feature requires subscription to the Caller ID service from local phone company and is not available in all areas. To operate the call-waiting feature, user must subscribe to Caller ID name/number with call-waiting special combination service. Warranty details available from local dealer.

Building a system is easy! Simply plug the Motorola ML1000 into a phone jack and wirelessly connect up to 10 ML1100 desk phones and / or ML1200 cordless handsets (sold separately). Only the ML1000 base station needs to be connected to a phone jack.

The ML1000 can be used with the following Motorola multi-line products (not included) to build your small business phone system:

Motorola ML1100
Desk Phone Accessory

Motorola ML1200
Cordless Handset Accessory
