

# VXi Compatibility Guide

for ShoreTel IP100, IP200, IP500, IP600 Series Desk Phones and Soft Phones

We've put together this guide to help you choose the VXi headset that will work best with your ShoreTel telephones. Any of the models listed here will do the job for you, while giving you the benefit of the VXi value proposition, what we call the VXi Difference: Every VXi headset sounds great, feels great, holds up to real-world use and is compatible with your installed VXi, Plantronics® or GN Netcom® equipment.

## VXi Professional Corded Headsets and Accessories

VXi's noise-canceling headsets are the headsets of choice at many of the largest professional contact centers around the world. They're ideal for all-day use in the most demanding environments. And our high-quality audio receivers deliver clear and consistent communications.

### VXi Tria™

The VXi Tria delivers crisp, natural audio quality and all-day comfort, so it's perfect for office professionals. Extremely lightweight, the Tria also gives you a choice of three wearing styles.

### VXi Passport® Series

The durable Passport series is designed to meet the demands of contact center and office use. The monaural Passport 10 keeps one ear free to hear what's going on around you. The binaural Passport 21's two speakers block out distractions so you stay focused on your calls.

### VXi TalkPro™

With sophisticated technology like wideband audio and the latest VXi noise-canceling, TalkPro headsets are the talk of the speech recognition industry. UC models add DSP and echo cancellation for clear, precise audio. With seven models to choose from, there's a TalkPro that's just right for you.

### VXi Everon™ Amplifier

Get the full benefit of your VXi headsets—or improve the performance of your existing headsets—with the VXi Everon amplifier.

### 1026 Cord

A 10-ft coil cord for use with office phones and VXi Tria and Passport headsets.

## VXi Professional Wireless Headsets and Accessories

VXi's wireless headsets give you great sound, dependable performance, and the freedom to move about your workspace. While our unrivaled noise-cancellation technology knocks out background noise in the office, at home or on the road.

### VXi V100

Unleash your full potential with the VXi V100 wireless headset system. Grab a file, check on a delivery or send a fax without missing that important call. Includes headband, earhook and neckband wearing styles.

### L50 Handset Lifter

Add the L50 to your V100 wireless headset system, and you're free to answer and end calls anywhere within the headset's 300-ft range.

### VXi BlueParrott Xpressway™

With over 16 hours of talk time on a single charge, three wearing styles, and a functional range up to 66 feet, the Xpressway Bluetooth headset delivers comfort and capability wherever you are.

### VXi BlueParrott® B250-XT

Nothing eliminates noise like the Bluetooth-enabled B250-XT. With 16+ hours of talk time, the B250-XT combines a high-performance noise-canceling microphone with our Xtreme Noise Suppression™ technology to wipe out ambient noise.
